**PLAINTIFF-APPELLANT'S SUPPLEMENTAL INFORMATION FOR  
MOTION TO EXTEND TIME FOR FILING APPEAL BRIEF**

Plaintiff-Appellant, Pi-Net International, Inc. ("Pi-Net") hereby files this Supplemental Information for its Motion to Extend Time for Filing Appeal Brief. The Supplemental Information includes a letter from Inventor, Dr. Lakshmi Arunachalam's doctor, which is self-explanatory, that supports the compelling reason of medical hardship for the request for extension of time to file the Appeal Brief beyond the current November 10, 2014 deadline, in order to avoid a medical crisis. Dr. Arunachalam has high blood sugar, high blood pressure exacerbated by her lack of sleep and 20-hour work days in order to meet the November 10, 2014 deadline to file the Appeal Brief. Dr. Arunachalam has been experiencing chest pain and high pulse rate the last few days and feels limp and exhausted by working all night and most of the day. Pi-Net hereby notifies the Court that Dr. Arunachalam and Pi-Net did not have the benefit of the 90 or 109 days, as the first extension of 30 days and the next extension of 60 days were used up by Pi-Net's two former counsel and the Court's most recent order re-affirmed that new counsel should enter appearance by November 10, 2014. Dr. Arunachalam has been pleading with Defense Counsel to give her extension of time. The letter from Dr. Arunachalam's doctor and a Certificate of Service is attached below. Pi-Net respectfully requests the Court to give sufficient time to file the Appeal brief to

give time for Dr. Arunachalam to recuperate while she is continuing to work diligently on the Appeal Brief.

Respectfully submitted,

DATED: November 5, 2014

To Whom It May Concern:

Re: Lakshmi Arunachalam

Ms. Lakshmi Arunachalam is a patient in this office where she is followed for a number of very significant medical problems. She has been experiencing severe decompensation of her health problems recently, related to work-related stress and was strongly counseled to begin a medical leave of absence effective immediately to prevent further compromise of her health. She may return to work on 12/15/14 if she is improved.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Madan MD". The signature is fluid and cursive, with the letters "S", "M", and "D" being prominent.
